Drawing Inspiration

A once-abandoned pickle factory, built in 1897, is now the new Millhaven event space. A unique Southwest Michigan wedding venue with industrial charm and finishing touches of elegance will create a one-of-a-kind wedding experience for you and your beloved guests. Speak your vows surrounded by lush curated garden beds, pergolas draped in vine, and a bubbly cocktail in hand. Celebrate amongst the people closest to you beneath a 23 foot tall wood barrel vaulted ceiling and surrounded by vintage brick walls, a meal worth savoring, and the beat of your favorite song.

One of our greatest joys is reimagining a space into its full and beautiful potential, and breathing new life into things that were otherwise forgotten. We are excited to open the doors for memorable opportunities of connection and presence with those you love most during your highly anticipated festivities.
